APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. The right granted hereunder is limited to the amount of water available at the point of diversion. A substantial headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 10.0

cubic feet per second, and not to exceed a yearly duty of 4 acre-feet per acre of land irrigated.

Actual construction work shall begin on or before July 20, 1954

Proof of commencement of work shall be filed before August 20, 1954

Work must be prosecuted with reasonable diligence and be completed on or before July 20, 1955

Proof of completion of work shall be filed before August 20, 1955

Application of water to beneficial use shall be made on or before

July 20, 1957. Proof of the application of water to beneficial

use must be filed with State Engineer on or before August 20, 1957

Exp. File AUG 14 1952

Cancelled SEP 24 1956 because of failure of applicant to comply with provisions of permit

WITNESS MY HAND AND SEAL this 20th day of January, 1954

HUGH A. SHAMBERGER

State Engineer
